Weather Alerts:

There are three methods for weather updates, 1) Sign-up to receive text alerts for field closure by clicking [here](#), select "H" for Holt Field, 1) Check the Triangle United [website](#) for weather updates, and 3) Call our weather line at 919-942-2036

Registration:

To guarantee your child's participation in the upcoming soccer season, registration must be completed *and paid for*, online through our Demosphere TeamNet portal prior to the registration window closing. If either or both of the parents of the child are interested or willing to volunteer to coach their child's team, they can volunteer during the registration process.

Late registration:

Late registrants will not be guaranteed a spot on their preferred team placement. The primary deciding factor for team placement of a late registration will be roster size. Any requests made will be considered secondary to roster size. A returning player may or may not be placed on the same team as last year due to roster size and players aging out, but all this can be discussed.

Team placement:

Fall. Team placement is based off of the date of registration. We function in a first-come-first-serve style. The later you register, the less chance you have of being placed on your requested team. Team placement is determined in the following order: 1) day requested, 2) time requested, 3) coach requested, and 4) teammate requested. Any request to switch teams must be sent to the Program Director (durhamrec@triangleunited.org) within the first week of the teams being assigned. This is due to the timing of the first uniform order.

Spring. Team placement is determined in the following order: 1) returning players are automatically placed on their team from the Fall season. If a returning player desires to switch teams, they must send in a request to the North Durham Program Director (durhamrec@triangleunited.org) within the first week of submitting their registration. Additionally, there is "NO CHARGE" to switch teams between the Fall and Spring seasons. Requests made after registration closes are likely to be rejected. Any request to switch teams must be sent to the Program Director (durhamrec@triangleunited.org) within 48 hours of the team placements being announced. This is due to the timing of the first uniform order. Any request for a team switch sent more than 48 hours after team placements have been announced may be denied.

Uniforms:

There will be 3 uniform orders made per season. The first uniform order will be made 72 hours after team placements have been announced. The second uniform order will be made 1 week prior to the first game. The third (and final) uniform order will be made following the first official game of the season. **Spring Season:** returning players from the Fall are expected to wear their Fall uniforms for the entire soccer year which runs from Fall to Spring. Only new players in the Spring will receive a uniform,
